

# Access your eBooks with Adobe Digital Editions

Make sure your device supports DRM files. Files in your Learning Ecosystem will not be compatible with Kindle due to Amazon's own restrictions.

## 1 Download Adobe Digital Editions on your computer

1. Download and install Adobe Digital Editions on your computer.

Important: Other programs such as Adobe Reader, Adobe Acrobat, etc. will not be compatible with files from your Learning Ecosystem.

## 2 Authorize Adobe Digital Editions

1. Open Adobe Digital Editions, click on the *“Help”* menu and select the option *“Authorize computer”*.
2. From the dropdown *“eBook Vendor”*, select *“Odilo”*.
3. Insert the same credentials that you use to access your Learning Ecosystem, in the *“Vendor login ID and Vendor password”*.
4. Click on the *“Authorize”* button, Adobe Digital Edition will check your details and, if correct, a confirmation message will be displayed, indicating the Adobe ID account to which the device has been linked.

### IN CASE OF ACCESS ERROR, FOLLOW THESE INSTRUCTIONS

#### Deauthorize Adobe Digital Editions:

Press **Ctrl+Shift+D** or go to **Help > Erase Authorization**.

In the pop-up window that opens, click on Erase Authorization..

#### Reauthorize Adobe Digital Editions:

In the menu at the top, select Help or press **Ctrl+Shift+U**.

Choose **Authorize Computer** and fill in the following details:

**Vendor:** Select *“Odilo”*.

**Vendor ID:** Your user identifier.

**Password:** Your password.

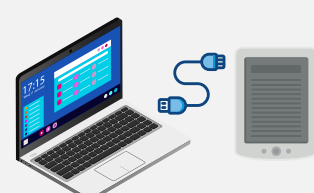

**Note:** Note: If the issues persist, use an Adobe ID. You can create an account on [Adobe](#).

## 3 Download the resource to your computer

1. From your computer, enter your Learning Ecosystem.
2. Choose an eBook and click *“Access”* or *“Borrow”*. 
3. Click the arrow that appears next to the *“Open”* button and choose *“Download for Adobe Digital Editions”*.
4. The download process, of a file in ACSM format, will start. 
5. When the download process is complete, open the file and it will automatically open in Adobe Digital Editions.

## 4 Transfer the resource to your e-reader device

1. Open Adobe Digital Edition and connect your e-reader to your computer. The device name will appear in the left panel.
2. Select the title of the book you want to transfer to the e-Reader, right-click and choose the option *“Copy to device”*.
3. Disconnect the device from your computer to read it.

## 5 Return of the resource

1. Access Adobe Digital Editions from your computer.
2. Right-click on the resource and choose the option *“Return borrowed item”*.
