LEADERS IN EDUCATION

Each student, in keeping with their individual abilities and gifts, will complete high school with a foundation of learning necessary to thrive in life, work and continued learning. Calgary Board of Education offers great depth and breadth of programs and supports to meet the unique learning needs and interests of an increasingly diverse population.

Students come first

Each student is unique and worthwhile. Success for each and every student is the goal of education in Calgary.

Learning as the central purpose

Learning empowers students to achieve their potential. Attention to continuous improvement, high expectations, innovation, and relationships will enable all students to reach their potential.

Public education serves the common good

Public education is essential for a vibrant democracy. It’s necessary to provide useful resources to teachers, students, and their families to develop the best version of themselves.
